Dear Neighbor and Friend: **בס"ד**

Your block is the envy of the entire Williamsburg community. The **אחדות** and the harmony between neighbors and the children is incomparable, in time of **שמחה** and **לא עלינו** in time of need. This is why I took the courage to write down this words to you.

The past year and half a new phenomena has been developing in our beloved Williamsburg community . A new "star" was born pretending to be a Rabbi that saves "**אידישע נשמות**" , putting into them **קדושה** and **אמונה**. At the same time, this person (if you can call him so) is only here to ruin boys, good boys, **מצוינים** from good homes, and taking away everything that is SO dear to us .

When our children are born we **ווינטש** the **קינפערטארן :די זאלסט זוכה זיין לגדלו לתורה חופה ומעשים טובים**. When our little **נשמה'לעך** wake up each morning we thank **ה'** that he gave us back the **נשמה**. Why? Because **תורה צוה לנו משה מרשה קהלת יעקב.** The only reason for our existence is our **תורה**, our way of life. The only way to know how to behave what is **מותר** and what is **אסור**, what is good or bad, even what is healthy and not healthy, is by learning **תורה**, our "Rules and Regulation Guide".

Here comes this person and says: "NO, I have a new way, no learning needed, as long as your **נשמה** is **הייליג**, you **טובל** in the **מקוה** countless times, as long as you are Happy, it is too much pressure all this learning, and even if your parents say something else, listen to this: "YOUR PARENTS HAVE NO SAY IN YOUR EDUCATION" they are here only to feed your body **רחמנא לצלנא**. This person robbed kids from their parents, brainwashing them to leave home and abandon their mother that carried him for 9 months and his father that **פארהערט** him every Shabbos since he was able to pronounce the **אלף בית**! He convinces these boys to leave their **ישיבות**, he instigate the boys against their parents ("they are such bad parents...") to cut any emotional ties with the parents ("they don't love you they don't need you they hate you") and to go to his **ישיבה**, ("only I love you and I will take care of you") , **ישיבת תפארת התורה**, where boys play ball without **קאפלעך**, because it is too much of a bother. Parents won't pay **שכר לימוד** therefore he FORCES the boys to go collect money... at the same time they collect money to pay for their airplane ticket to UMAN **אומן**, a trip that was not allowed by their parents!! Kids stole their passports, disappeared and reappeared in UMAN. One boy, when his father refused to give him his passport he threatened his father that he will cut his own **פאות**!!

Dear friend, imagine your little baby being taken away from you the same way the Cantonisten kidnapped our kids in Russia years ago, but the difference, the cries of the mother then: **מיין קינד פארגעסט נישט אז דו ביסט אן אידן** and the kids **אויסגעווינטע** answer was: "**מאמע איך זאג דיר צו! איך וועל אייביג געדענקען איך בין א איד**"

And here your child, his **נשמה** is being kidnaped, his behavior is changing, no **דאוונען**, no learning, and when the parents ask the child: Aren't you afraid you are going to loose us" The child hardly Bar-Mitzvah with **חוצפה** and dryness answers: "It is your choice, I don't care, I am leaving. _____ is a better parent than you, he loves me, he will take care of me, he will even marry me off.

And who is the _____ ???? No more no less than your neighbor

יואל ראטא - YOEL ROTH

residing at 123 S. 8th Street . THIS IS NOT a yeshiva for Boys with learning disability, A **ישיבה פאר שוואכע בחורים??**, **NOOOO**! This is a nest for missionaries, cult, that go after good and excellent **בחורים** and put into their head all this crooked ideas and making this children behave like they were his slaves. And no more at fault his partner:

מרדכי יונה שיק - MORDCHE YONAH SCHICK

from 144 S. 8th Street that goes after boys and parents, brainwashing them that this is THE WAY, 1) do **עברות** , 2) talk to **באשעפער** 3) and do it again as long as you talk to the **באשעפער** !!!

What will be this boys future? And how can you be sure that your child is not being harassed, brainwashed, abused and taken advantage of? I BEG YOU, WATCH YOUR CHILDREN!! No more **קרבנות** !! Watch for any changes in his leaning, mood, depression and avoiding family and friend. It will take years to undo the damage this person is doing to our kids! Don't let your kids talk to these individuals, their family members or to any boy that is in this **ישיבה** . THEY ARE HERE TO GET YOU! BEWARE!! And don't give any **צדקה** to **בחורים** you are not 100% sure where the money is going to. You may be supporting the **סטרא אחרא.**

And **דאוונען** that this boys should have a **רפואה שלמה** and the **שטן**, **עוקר הדת** and that **יואל ראטא** and **שיק מרדכי יונה** shouldn't have any **שליטה** on us.

Have a good Shabbos
